

Rules:

New membership packets will include 1 of each of the following for one person, or 2 of each of the following for two or more people listed on the membership form:

4" patch
Participant Pin
Decal
Membership Cards

Included with your membership you also can take advantage of Touring News, the Blue Line, discounts, 3rd party liability insurance, rides, rallies, and fun.

For additional information call the main office 800-960-GWTA (4982), where program details are on file.

1. To stay in the program you must be a member in good standing. You must also renew your membership by the expiration date on your membership card/account or you will lose your special rate.
2. The new rates take effect September 1, 2011. You can take advantage of the special rates starting June 1, 2011.
3. This is a flat rate fee so there are no more individual or Family membership options. You can list 2 adults and up to 4 children living at the same residence on one membership.
4. If you choose to take advantage of the Group Rates, you must be in the same chapter and you must send in your forms together and indicate it is a group rate request. When you renew the *same people* must send in their forms at the same time indicating a group rate again to retain that rate. If one person from that group does not renew, you are no longer able to take advantage of the group rate. If you sign up at the \$75 rate, you have up to 60 days to form a group to get the group rate.
5. Everyone has the chance to lock in the special rates between June 1 and Sept 1, 2011, new members included.
6. *You will need to remember your special rate.* Renewal forms will only list the current price. You must note in the comments on the online form that you have a special rate or you will be charged the higher rate. Special rates must be noted on your renewal form if you mail it in as well.

**Please note prices are subject to change at any time. **
